

Few companies have the ability to provide the full range of services that Maurice Ward & Co s.r.o. can. As part of the Maurice Group we have the advantage of being able to access the excellent freight, logistics and customs service that they provide. For example we can mould / finish your part in Most, ship with Maurice Ward transport to a Maurice Ward warehouse that is near your company (Maurice Ward have branches in every major town in the Czech Republic). The parts can be stored there and called off by you when you need them. A full list of the services provided by Maurice Ward Freight and Logistics can be viewed at www.mauriceward.com

Apart from the scale of the service we can offer, we also aim to provide a very personalised and focused service for every customer, regardless of size.
